Congratulations and Welcome to our practice!

Pregnancy is such an exciting time in a woman's life and we are thankful that you have chosen us to participate in your care during this time. We would like to share some general information about us that will be important for you over the next several months.

Whether this is your first pregnancy or your fifth, you are bound to be feeling a lot of changes in your body. We are here to help you through this time and available to answer your questions. It is our expectation during a normal pregnancy to see you monthly over the first and second trimesters and then more frequently towards the end of your pregnancy or if there are any complications that develop. No worries you are in great hands and we are looking forward to being there for you every step of the way.

Dr. Stephens and Holli will be delivering at Sarasota Memorial Hospital, located at 1700 S. Tamiami Trail. "SMH was ranked among the top 5% in the nation for Womens Health and Maternity Care 10 years in a row." We share call with Kelly-Anne Shedd- Hartman, DO. Aka- Dr. KASH. Please see her picture and bio on the following pages.

Our office is open Monday-Friday from 9am-5pm. You can reach us during normal office hours at 941-359-8300. There is a physician and midwife on call after hours for emergencies only. You can reach the on call physician/midwife by calling the main # and following the instructions.

Your OB visits will be scheduled at the end of each visit for the following visit. Occasionally due to a baby entering this world, we may need to reschedule you unexpectedly. We will do everything we can to reschedule you the same day or within a day to accommodate your needs. We ask for your patience and understanding if this happens as it may be your baby we are delivering the next time.

We are here for you every step of the way. Our goal is exceed your expectations. Please let us know if there is something we can do for you!

Sincerely,

Your care team at University Park Obstetrics and Gynecology, LLC
